I agree to allow my child to participate on Precision Dance Academy's Competition Team. I have been made aware of all requirements and agree to abide by them for the competition season. PDA owners, teacher and staff are not responsible for any lost belongings left at Precision Dance Academy, or any other locations where a PDA event is held. Precision Dance Academy and their staff are not responsible if your child gets injured in class, at the studio or other locations where a PDA event is held. I understand if my child does not abide by the studio policies outlined in the attached document, they risk losing their place on the competition team.

I waive any claim I may have against Precision Dance Academy and their staff.
